PiHi 1978 . . .

We had two special people in mind for the 1978 TORCH dedication. The first person is a man who has a great love for kids.

He was born at the Murphy Memorial Hospital in Whittier, California on February 23, 1950. He graduated from Rosemead High School and went on to Rio Hondo College to receive his AA. After Rio Hondo College he attended Cal State Los Angeles and worked hard to achieve his BA. At the present time he is taking an Economics course at Cal State Los Angeles.

He is the Community School Coordinator. Through his work he is trying to better the relationships between the teachers and the students while working with the community.

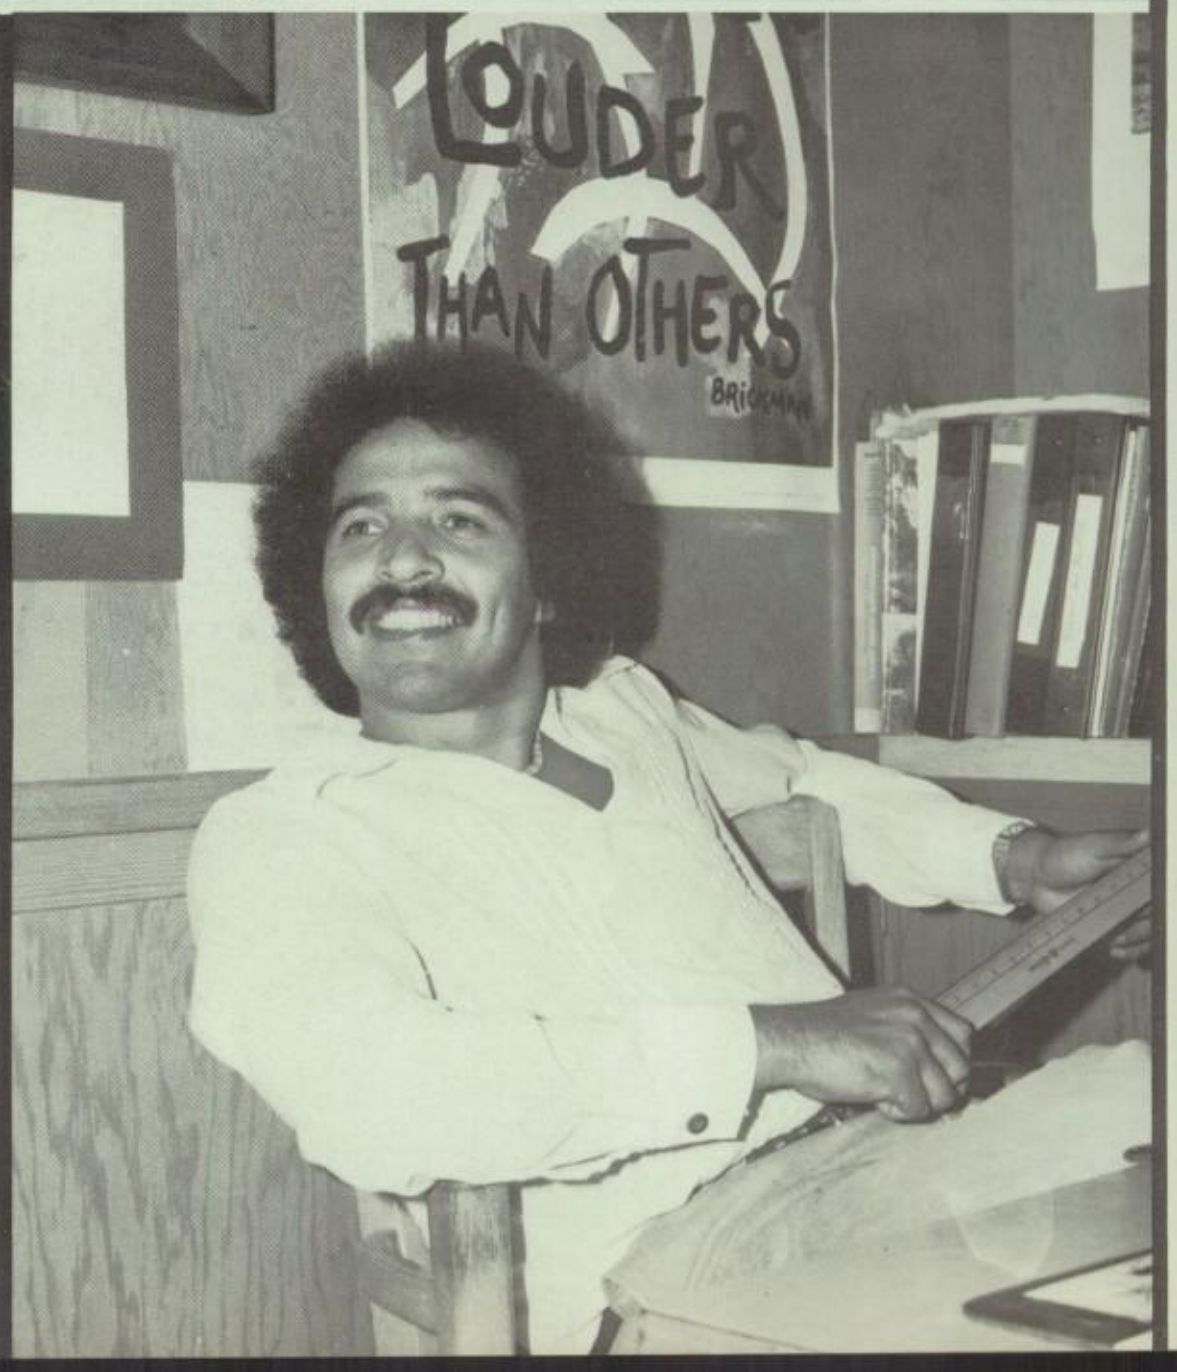
He is interested in the Real Estate field and would someday like to go into business for himself.

In his spare time he enjoys snow skiing, water skiing, tennis, and golf. He likes to watch football, baseball, and basketball. He is involved with little kids, as he likes to form little league teams. And when he's not busy with these activities, he enjoys spending his time with his wife Jeanette and his son Michael.

For the 3 years that he has been at Pioneer, he feels that Pioneer has really changed. We are getting bigger and better and the students are more "go" oriented. He really loves working with kids and especially the kids at Pioneer.

For his great love and concern for the students at Pioneer, the Annual Staff takes pride in dedicating the 1978 TORCH to . . .

JOHN MACIAS



Duo Dedication

The other special person who the 1978 TORCH is dedicated to is also a person who loves to work with kids.

She was born and raised in Whittier. She attended Hoover Elementary, Dexter Junior High, and graduated from Whittier High School. After high school she lived in Spain at age 18. She taught Drama at Rio Hondo College and was also a student there and at Cal State Fullerton. Her major in college was Drama. She has obtained throughout the years a Standard Teaching Credential, a Community College Credential in Theatre, a BA in Drama, and a Master's in Theatre.

Her hobbies are teaching drama, collecting boxes (which are on display in her living room), and taking care of the fish that live in her backyard pond.

As of right now, she is our one and only, fantastic drama teacher. She loves teaching kids and says it feels good in her heart. She loves her students and she feels as though they were her own. She is very proud of her students, especially when they do well. We have one of the biggest drama departments at Pioneer and it's all because of her and her power to get these kids going. She had a chance once to be an actress but she turned it down. She wanted to stay here at Pioneer and teach Theatre Arts: that's one thing a lot of people might not do. This is why we dedicate the 1978 TORCH to . . .

Prominent Seniors Attain Awards

Every year fifteen Bank of America Awards are presented to graduating Seniors of Pioneer who have displayed outstanding achievements in certain fields. These include Art, Drama, Music, English, Foreign Languages, Social Studies, Laboratory Science, Mathematics, Business, Home Economics, and Trades and Industrial.

Eleven of the Seniors received certificates for their various categories and the remaining four received plaques for general areas. The plaque winners are then eligible to compete with other winners in the Whittier area. The Seniors receiving plaques are Jennifer Lee — Fine Arts, Raul Dominguez — Liberal Arts, Michael Chen — Science and Mathematics, and Laurel Hoggan — Vocational Arts.

All the Award Winners are selected according to their grade point average, teacher recommendations and guidance personnel.

This year's D.A.R. Citizenship Award Winner was Carol Menzel. The Daughters of the American Revolution Award is given annually to a senior girl who has been involved actively and meets certain qualifications: cooperation, leadership, dependability, service and patriotism.

In Memoriam

The little cares that fretted me,
I lost them yesterday
Among the fields above the sea,
Among the winds at play;
Among the lowing of the herds,
The rustling of the trees,
Among the singing of the birds,
The humming of the bees.

The foolish fears of what may happen —
I cast them all away
Among the clover-scented grass,
Among the new-mown hay;
Among the husking of the corn
Where drowsy poppies nod,
Where ill thoughts die and good are born,
Out in the fields with God.

Congress — Expresses Community Interest

Pioneer Congress showed great concern and interest for the community around them. Under advisor John Macias and Speaker of Congress Denise Osborn, many activities were accomplished. Congress held a successful leadership day at Penn Park and also sponsored many fund raisers, such as a dance, game marathon, Christmas Basket Program, and Easter Charity Fund Raiser.

Senate — A Strong Group in Government

Senate is a group that is composed of class presidents, club presidents, and representatives of various groups on campus. Under the leadership of Pat Alva who served as Chairman, along with Lydia Vartanian as Pro Chairwoman, many activities were accomplished. The Senate sponsored a fund raising dance for needy families at Christmas time and took kids from the Exceptional Childrens Foundation to the snow. This group was under the advisorship of Barry Blade and Dick Torres.

Boys' and Girls' League — Sponsor Yearly Events

Again Boys' League and Girls' League showed unity in organization. Under the leadership of Sylvia Cadena and Steve Valencia, they kept the traditions of Pioneer alive. Girls' League sponsored the 19th annual Girls' League Dance which was held at the Edgewater Hyatt House in Long Beach. The other activities they sponsored were a fashion show, the Mother-Daughter Dessert and Titanette Review.

Boys' League again sponsored the annual Christmas Dance which was held in the Boys' Gym.

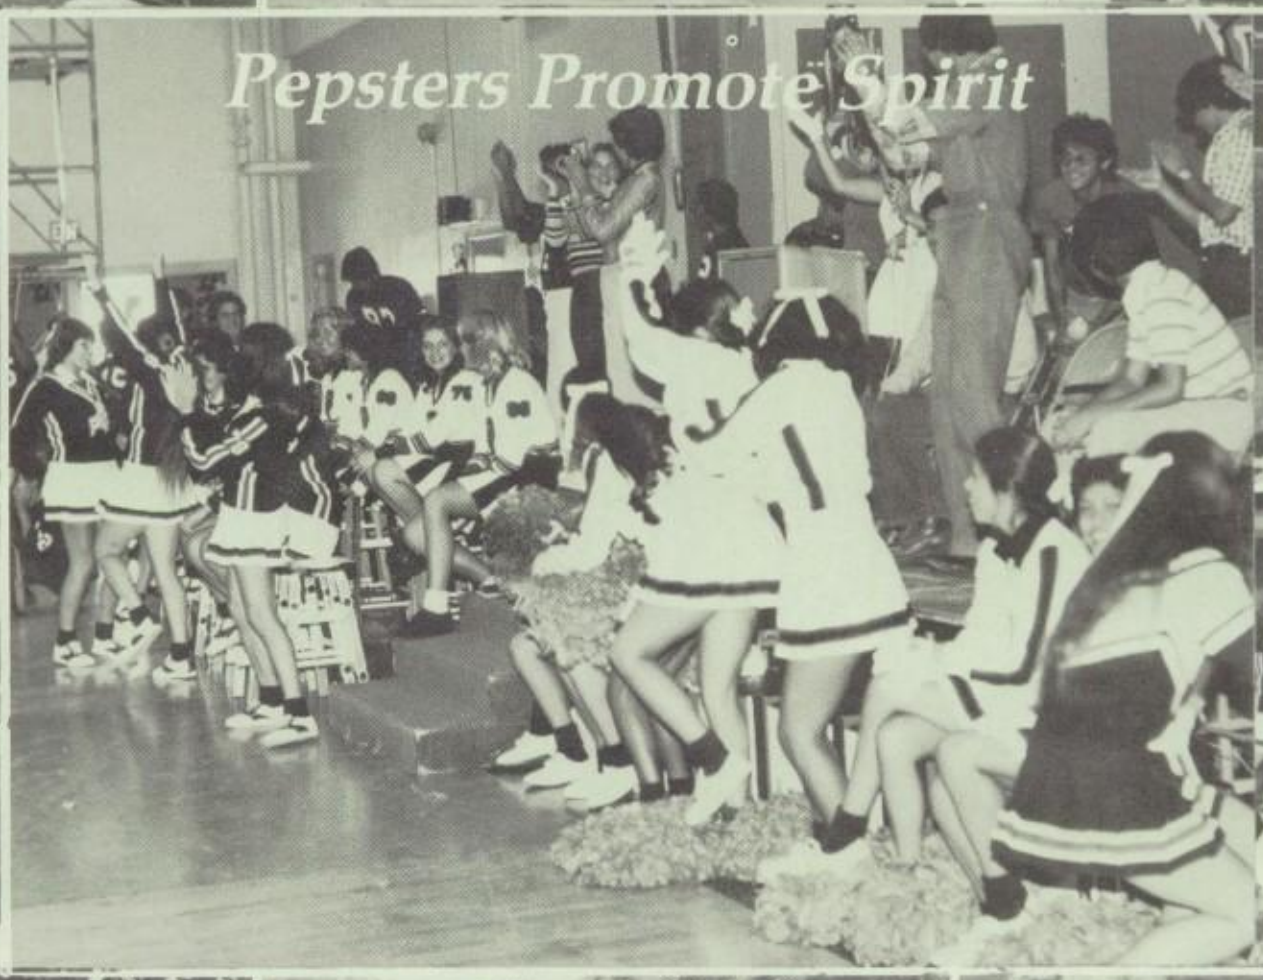
Pepsters Promote Spirit



Yell Leaders Enhance School Spirit

Capturing the crowds with their smiles, high spirit, precision and intricate movements, the 1977-78 Varsity Yell Leaders successfully promoted enthusiasm throughout the year.

The Squad consisted of all new members, led by Diane Beltran, head and Kathy Minge, co-head. The advisors for this year were Mrs. Hardy and Mrs. Folgers.

The Varsity Yell Leaders displayed their eminent talents by performing at pep rallies and assemblies, the Pomona Fair, winning the spirit jug and several trophies from summer camp.

They also supported and cheered almost all sports on and off campus.

PIONEER HIGH

Linda, congratulations on being selected for the Titan Tones. Have a great year!

A Musical High

The Titan Tones are one of the most popular high school singing groups in Southern California. They are in constant demand, singing for service clubs, church groups, and other organizations. Over the years, they have performed in many of the communities in the area, bringing musical entertainment to young and old alike.

This year, the choir is a combination of two performing groups — the Titan Tones and the Treble Makers, a new group consisting of a girls' ensemble.

The mixed chorus is a training group for beginning music students who wish to participate in one of the more advanced singing groups.

Mighty Marching Titans

1977-1978 was a year of growth and improvement for the Pioneer "Titan" Band. During the first semester, the "Mighty Marching Titans" competed in six parades, taking second in the Whittier College Parade and third in the Oceanside Parade. The highlight of the marching season was taking first place and receiving the High Marching Award at the Whittier Band Jamboree. The band also performed at Magic Mountain for the Halloween Parade and at Disneyland for the Christmas season.

Second semester the band turned to concert work by preparing several concerts and participating in festivals. Highlight of the Spring Semester was the Spring Tour in May which took the "Titan" Band to San Francisco and the Bay area in Northern California.

We look at the 1977-1978 school year with pride and a sense of accomplishment, thanks to the dedicated work of our new band director Mr. Robert Melonuk.

Drill Team Goes for It . . . Hawaii

It was a year filled with a variety of activities for the 1977-78 Titanette Drill Team. Beginning early in the summer of '77 with a beach party, all the way to June '78 with a trip to Hawaii, where they marched in the King Kamehameha Parade in Honolulu, one o the biggest celebrations in the Hawaiian Islands. In between they participated in many competition parades, placing no lower than 3rd in all, and receiving Sweepstakes at the Whittier Homecoming Parade and at the Oceanside Parade. They also took Sweepstake and a High Marching Award at the Whittier District Band Revue, where they put on a fine field show, dancing to the music of "Rocky" and "Shaft."

Many fund-raisers were held throughout the year, adding to their Hawaii accounts. A very successful Spaghetti Dinner was amo the many fund-raising activities. Others included the sale of Bonus Books, Candy, and Christmas Trees (where they sold over 400 trees), a Jog-a-Thon, Car Wash, Swap-Meet, and a Rock Concert with Kiki Dee and Elton John's former band, "China." Other activities included marching at Disneyland and at Magic Mountain.

Homecoming '77' . . .
A Dream Come True

Homecoming 77 was great as students and alumni crowded the stands to add a warm feeling to this year's Homecoming ceremony. As the crowd stood transfixed, our former Queen Cathy Espinoza, crowned Gabriela Aranda to be our 1977-78 Homecoming Queen.

After the fantastic win over La Serna, students headed for the gymnasium to attend the Homecoming Dance where "Spain" entertained the group for the remainder of the night.

"The Miracle Worker"

This stirring dramatization by William Gibson of the real-life story of Helen Keller, is one of the most successful and warmly admired displays of the modern stage. Helen Keller was of course blind, deaf, and mute, and nobody knows what her ultimate fate might have been had she not come under the care and tutelage of Miss Annie Sullivan. It is indeed a "miracle" that this "wild child" could have matured to become the distinguished writer, lecturer and humanitarian who worked diligently for the rights of the handicapped.

Improvisation Assembly

The Improvisation Assembly was put on by the 1977-78 A.S.B. Cabinet and the Drama Workshop students. It was a comedy sketch which earned money for the A.S.B. Cabinet and for the Drama Club. The production was greatly enjoyed by all 400 students who attended.

The drama, which was written by the cast, was awarded "Best Play," and "Best Technical Achievement" at the Rio Hondo Drama Festival. Receiving an individual award was Greg Holladay who was named "Superior Actor."

Dodgers Defeat Doleful Dictators

On November 18, before a full house, the Pioneer faculty hosted the Los Angeles Dodgers in a basketball game. It was a grueling game, but the Dodgers came on strong, winning 98-37.

Thanks to the tremendous effort of Mr. Ed Moriarty we were the first school they played against this year.

For all who attended, young and old, it was an exciting experience.

Tribune Goes Offset

The Titan Tribune staff, under advisor Harry Robertson, has successfully completed yet another year of informing the students of Pioneer happenings.

Paste-up and overall look of the paper were changed considerably, as the staff went off-set this year with a new print shop.

Editor of the Titan Tribune was Lydia Vartanian, a three year member of the staff who was co-editor last year. The staff was without an associate editor most of the year, so Lydia's right hand was Sports Editor, Sandi Kendall. Sandi, in her second year of Newstaff, did an excellent job covering all sports. Without Lydia and Sandi's unending dedication, the completion and paste-up of the Titan Tribune would many times have been virtually impossible.

A Trip to C.I.F. for the Titans

The Titan Varsity Football team was a very strong and championship-willed squad this past season. Their 4-3 league record was outstanding considering their 3 losses were all within a touchdown. The highlights of the season were their powerful 6-0 homecoming shutout of the league champs, La Serna and their second half comeback against Whittier which surprised the whole league. The Titans, under the disciplined coaching of Steve Powell and Ron Lopez, had 9 players make the All-League list. The bulls-eye arm of Larry Carrillo plus the combined talents of Drew Rodenbucher, Dennis Tolliver, and Mike Grijalba played a big part in a team that had everybody trying 100 percent. But a C.I.F. heartbreaker ended the Titans season as Hoover High sent the game into overtime, and won on a 2 point conversion. The Titans proved to have one of the best teams around, with an overall record of 4-5. The Titans always kept the games close for last minute excitement and thrills. Their front four kept opponents from penetrating their running game and a fine defensive backfield led by Conrad Jordan kept receivers bottled up. Receiving All-League honors were first team quarterback, Larry Carrillo, first team tight end, Mike Grijalba, first team wide receiver Dennis Tolliver, first team defensive back, Conrad Jordan, and first team defensive tackle, Anthony Reyes. The second team honors went to running back, Drew Rodenbucher, and Anthony Reyes for his great job as offensive lineman, and Evaristo Quintana for linebacker. Honorable mentions were Emilio Heraldez and Joe Chavez.

With returning players like Mark Tamayo, John Bethel, Steve Andicochea, Mark Brown, and quarterback Ricky Martinez, the Titans should be in the running again.

Cross Country C.I.F. Quality — and Show It

Tommy Castro and Julian De La Torre coached another successful cross country team this season. The Titans thrashed through their opponents, only losing one meet during the regular season. Steve Guzman, who represented Pioneer at the league finals, was only beaten three times this year and was put on the first team in All League and was voted Most Valuable Player. Overall, the Titans finished third in the league and it was a very rewarding year for Titan Cross Country.

Titan Aquamen — a Promising Season

The aquamen proved to have a strong team this season, staying close to their opponents and showing teamwork with togetherness. Although this season was a rebuilding year, the Titans hope to have a championship season next time around. Under the leadership of Jim Tiedt, who comes to us from Monte Vista High School, the Titans promise a better season. With returning players like Chuck Alio, Greg Iovino, Eric Galvan, and Drew Koen, the Titans should be able to keep that promise.

Cagers . . . A Great Defense

For the Titan cagers, this was a top-notch year. They showed potential for having a playoff bound season next year.

Their record for the season was 5 wins and 9 losses for their league games, and 7-16 overall.

The Titans proved to have one of the most swarming defenses in the league, and showed it by whipping the Monte Vista Mustangs, 76-47. They scared league champs, Calhi, by losing by only one point, 58-57, which was the closest anyone ever got to the Whitmont Champion Condors.

For Coach Diaz, it was a rebuilding year, and he did an outstanding job. This was only his first year coaching, taking over from Mr. Moriarty.

The highlight for the Titans was Raymie Saldivar, a junior, who averaged over 16 points a game, and made the all league team. Ric Helman, who made honorable mention, was the only returning guard for the Titans. Another guard who baffled defenders with his driving layups was Vidal Arista. Two solid rebounding and scoring players were Nick Parker and Mark Leonette. Leonette dominated the board and scored more than his share of the points.

The returning lineup for next year should be a winning one.

J.V. Basketball Has a Fair Season

The Junior Varsity Basketball team had a fairly good season. They showed their strong points at the right time and put together a winning combination many times this year.

The backbone of the team was Ray Cooper. He averaged over 15 points a game and went over the 20 point level numerous times. Another scoring and rebounding strength was Richard Obregon, who hit the boards with authority.

Under the coaching of Jim Rafferty, the Titans showed some talent that just might be varsity level next year. The other players holding up the starting team were Al Swayne, Armando Mellone, and Gus Conde.

Most of the players have one more goal and there's a chance that they'll get it: Varsity Basketball.

Frosh and Soph Teams Have a Rewarding Season

The sophomore basketball team showed great potential that could make them an eventual winning team at higher levels. Under the guidance of Coach Dobra, the sophs gave every team they played good competition and trouble with their sharp shooting players. Leading the shooters was Richard Aranda, who made playing basketball look so easy. Another shooter and guard for the Titan sophs was Dean Helman. When the points were needed, Dean was there. He was the play maker for the team. The team had spirit and togetherness that will be visible in later years.

The Titan freshman basketball team, coached by Mr. Berganthal, displayed winning spirit for themselves. Leading the team were guard Rico Garcia, who scored in the twenties his share of times, and Wayne Bristol, a promising center who, with aggressiveness will be a good rebounder as his experience develops.

Titan Soccer — We Are the Champions

The Titan Soccer Team played magnificently this season; they ended up with the Whitmont League title to show for their efforts. The team, coached by Mario Muniz had an over-all record of 16 wins, 1 loss and 1 tie. Cutting holes in every opponent they played this season, the kickers dominated all their games. Even the class 4-A teams couldn't out do the Titans as Huntington Beach and Pioneer played to a 3-3 tie. Montebello, last year 3-A champions, bowed easily to the Titans during the season by scores of 3-2 and 1-0. The Titans received early recognition for their championship play by being rated number 1 in C.I.F. for more than half the season. In league competition they put away the opponents easily finishing with no losses and no ties. In post season play, Valencia was the first victim of the Titans 3-0. Still ranked number 1, Lompoc bit the dust in second round, but in the third round the Titans were the victims, being surprised by no. 2 Pacifica, 4-2 and was also eliminated from the C.I.F. playoffs. It was a rewarding and successful year and will be one season that the soccer players will not forget.

The titans also had six players in the all league honors. Those six were Tony Carrillo, Carlos Casillas, Richard Rodriguez, Rogelio Gonzales, Joe Chavez, and Jose DeLeon. Carrillo only needs three goals to break the C.I.F. record and with him returning next year it should be easily done. Next year, the soccer team, should show everyone three things, that they showed this year; teamwork, togetherness, and victory.

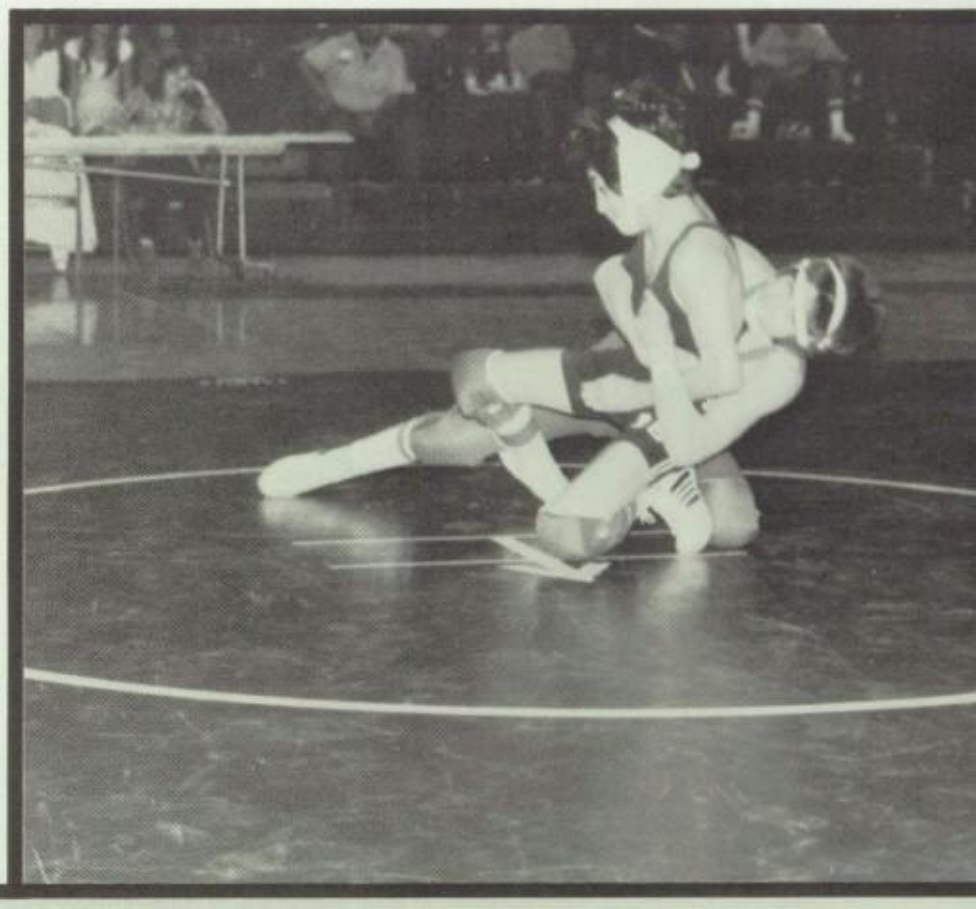
Titan Wrestlers Rebuild



The wrestling team this year for the most part consisted of freshmen, sophomores and juniors.

Although the team was under-developed they are looking toward a reputable future.

Coaches Lopez and Espinoza did a fine job considering some of the Titans were improving their abilities as this was their first year on the team.

Scott High was voted by his teammates as the most valuable player.

Spikers Do Well

The Titan track team, under the watchful eyes of six good coaches, expects to have a winning year with stiff competition coming from only Montebello and Cal-Hi. Head coach Tommy Castro is quoted in saying that he doesn't anticipate more than two losses in league action. All of the six coaches are graduates from nearby, five from Pioneer. Tommy Castro, Steve Powell, Jami Murphy, Michael Hernandez and Anthony Martinez, are the five Pioneer graduates. The sixth, Julian DeLaTorre, comes here from El Rancho High School.

The top runners for the team consists of Steve Guzman, top 880 runner in the league and Charlie Acosta, who should go undefeated in the 330 low hurdles. With most of their strength on the track, the Titans have two good sprinters, Nick Parker and Conrad Jordan. The captains for the team are Charlie Acosta, Conrad Jordan, Ignacio Santos, Yvonne Hernandez and Jeannie Branham.

Titan Golfers Swing Into a Good Season

The start of this year's golf season was delayed by the rains. The first two matches against Monte Vista were washed out.

The best showing for the year was the varsity win against Sierra and the J.V. win against Montebello.

This was potentially one of the best varsity teams Pioneer has had in a number of years. No one from this year's team will be graduating this year, and next year should be a good one. Most Consistent; Alfred Yamamoto, Most Improved; Ken Cenert, Most Potential; Joe Naicirrez and Steve Yamamoto.

Varsity Baseball Displays Confidence

The 1978 Varsity Baseball team includes 10 players from last year's C.I.F. participants and 7 newcomers from the J.V. team. Coach Anthony Gonzales feels the team will do well this season.

There was a new field constructed this season with 2 batting cages and a portable cage for hitting in the field.

The baseball fans were very supportive this season and they hope the support will grow in the years to come. Due to early deadline, scores were not available.

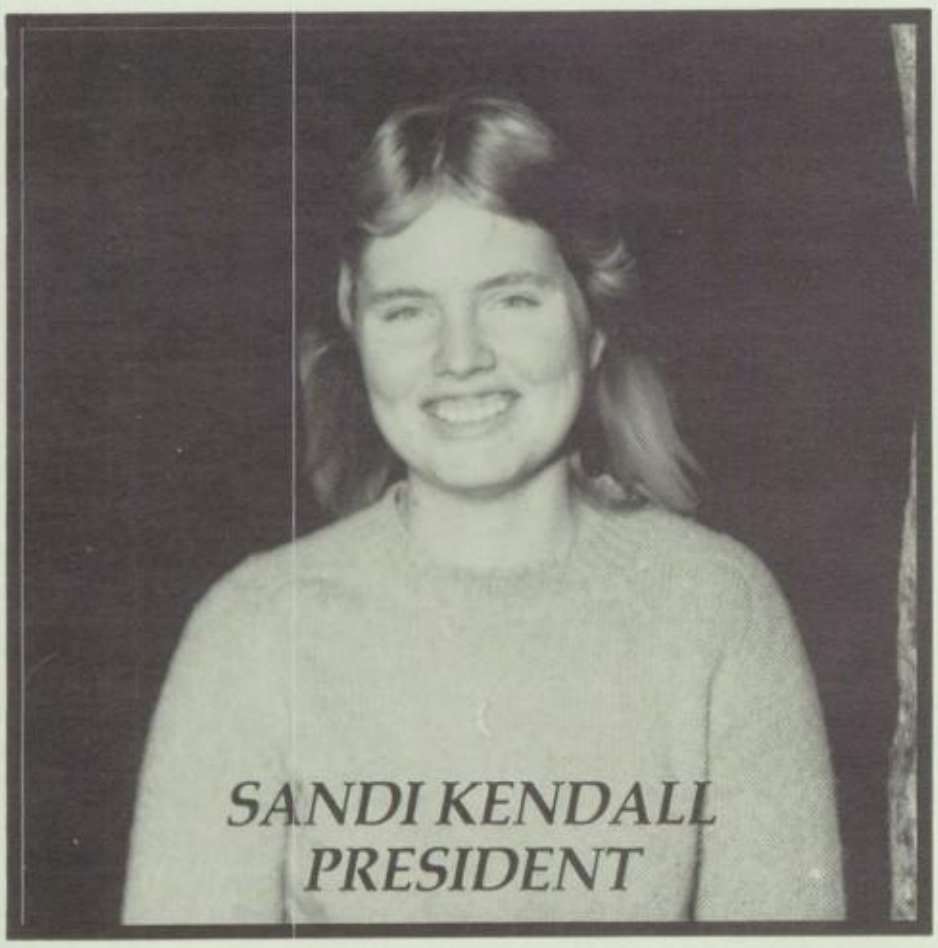
Girls Sports Program Expands



SANDI KENDALL
PRESIDENT

Girls' sports have excelled in many ways this year. First, the cross-country team finished in first place in the Whitmont league, and represented the Titans in C.I.F. action, and the J.V. team had an outstanding year, being their first year out. Secondly, the tennis team, in their last match of the season, dethroned second place Monte Vista.

As each year passes, the girls sports program grows stronger, but more support is needed for an entirely successful program.

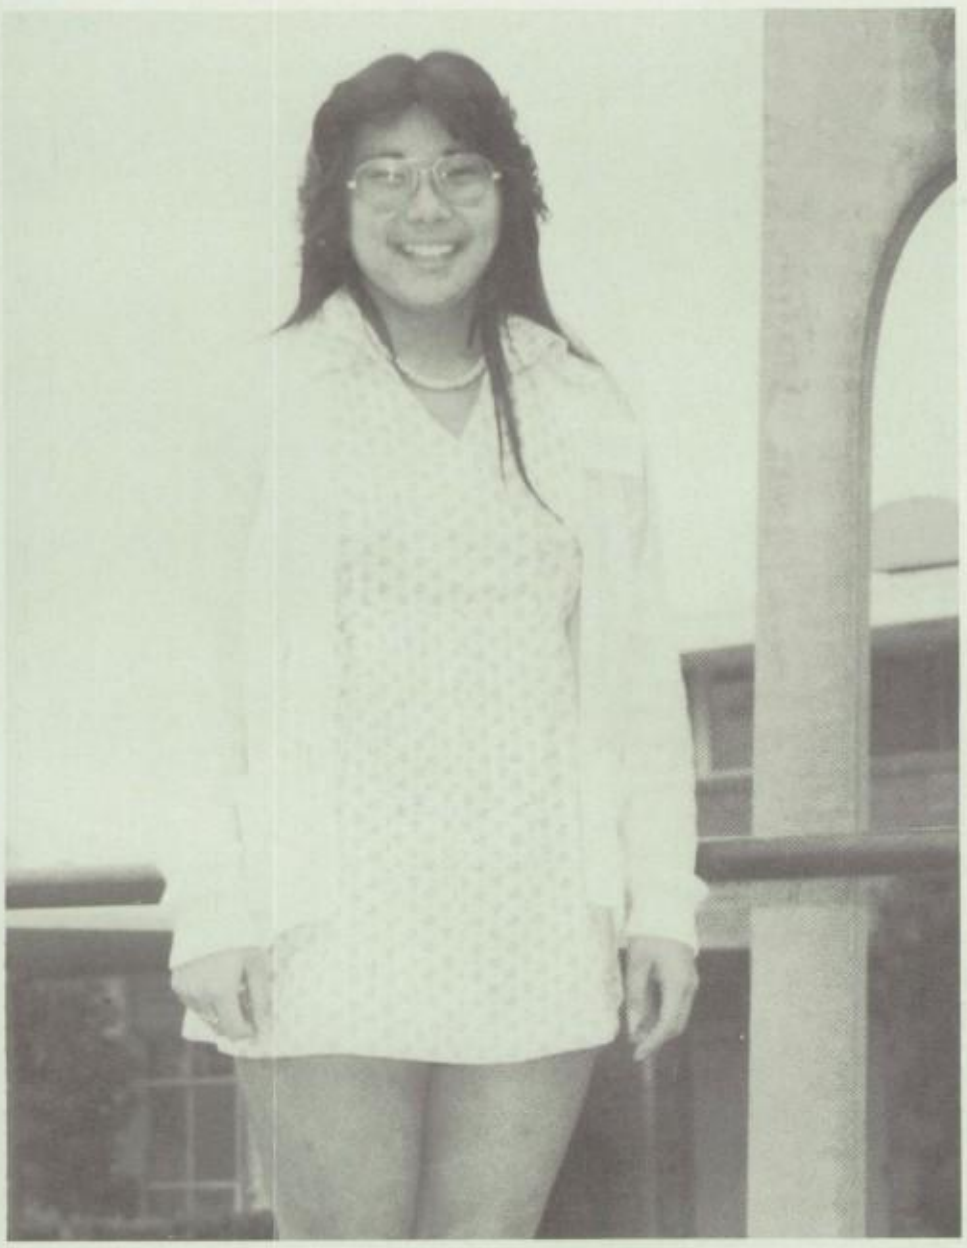
SOPHOMORE



Sophomores A Unified Group

The Sophomore Class Council under the leadership of Theresa Jaw, and with the support of Mr. Herb Ortiz, advisor, was one of the most unified groups at Pioneer this year.

A financial bonanza was produced by the sophomores with a successful Life Savers lollipop sale. Other fund raisers which strengthened their financial stability were the sale of carnations and mistletoe before the Christmas vacation.

Freshmen Acquire Experience

The Class of '81 had a very strong beginning year here at Pioneer. Led by Donna Burton, Freshman Class President, they held many fund-raisers and made close to $130.00 on two candy sales. They also organized bake sales and other activities throughout the year. Assisted by Mr. MacDonald, the freshman class experienced a very rewarding year.

Teachers

Administrative and Adult Groups Support Pioneer

The adult groups have shown their support and have helped Pioneer's students in many ways.

The District Administrators and Board of Trustees expressed their concern for the students of Pioneer and all the schools in the Whittier High School District by making decisions which affect our educational system, such as decisions concerning attendance problems, students' Bill of Rights and graduation requirements.

The Booster Club is a dedicated group of parents who raise money for the school by engaging in many fund-raisers, such as operating the concessions at the football games and having pancake breakfasts.

The P.T.A. is made up of parents who volunteer their time to help students and the community. They operate a costume shop in Whittier. Funds from the shop go to the nurses reserve fund.

The Expanded Horizons Parent Advisory Committee mainly raises money for scholarship funds and help pay for test fees such as the PSAT and the SAT.

Dr. Haines: Envisions Tomorrow

As I think about the theme of this year's TORCH — "Visions of Tomorrow" — and I relate it to Pioneer this year, I find that my "vision" is that the world will be a better place because of what the Pioneer students will contribute to it.

I watched Pioneer students do many things that will prepare them to contribute to that vision.

I saw students who were really active in putting themselves out to help others through volunteer work at school and in the community and through money raising activities. That spirit of helping is going to be very important "tomorrow."

I saw the Pioneer student body continue to be friendly and positive and to exhibit fine relationships between the students. In a world of problems and conflict, that spirit of cooperation and good relationships between all people is going to be perhaps the most important "vision" of all.

I saw Pioneer students expanding their horizons to Yosemite, Japan, Hawaii, San Francisco, Snow Valley, the San Gabriel Mountains, the Long Beach Hyatt House, and in all the other great activities that took place. I know that these expanded visions will help them in living a satisfying life in the future.

I saw the great many students who were preparing for higher education, and many who were involved in the career program that helped most students get on target for their occupation. The vision of the future in education is individualization, career education, human relationships, basic skills, and enrichment. Pioneer has a good start in providing these programs so that it will be a part of that vision.

Finally, these experiences of mine with Pioneer students make my vision of the future very clear, very bright, and very positive.

Administrators Maintain PiHi

The members of the Administrative Staff continue to improve the surroundings and activities here at Pioneer. Policies are implemented by our three assistant principals. Dick Torres held the position of Assistant Principal of Business and Activities, John Kimmick continued as Assistant Principal of Curriculum, and J. C. Low served as Assistant Principal of Guidance.

A New Guidance Program

This year the counselors did something different. Instead of working out disciplinary problems, they mainly concerned themselves with career and educational problems faced by Titans. In charge of discipline this year was Mr. McLean.

PiHi Crews Maintain PiHi

George Vasquez did a fine job this year in his first year as plant foreman, taking over Bob Houston's place.

Armando Luna and Elizabeth Fowler again did their best to see that everyones' needs were taken care of in the boys' and girls' locker rooms. The custodial crews as usual worked very hard this year keeping the school as clean as possible.

Our cafeteria crew also did a great job this year in preparing meals for the Pioneer students under the direction of Mrs. Beverly Neeveel in her first year as cafeteria manager.

Our three campus aides also did well in supervising the activities on the school campus.

Well the year is over and we're seniors. Wow, I thought we never would get there but here we are. The Great Class of 79! I'm really sorry that it didn't work out between you and Margel, and even more sorrier that ☹ you're mad at Teresa, I sure hope that maybe you and her can become friends. Well maybe we can get together during the summer and go to the beach. And mess around. Without Ray or any other guy. We can pick up. Eh! ☺ Well Ray is trying to read this so I'll talk to you later. Have a great Senior year.
